

FabShop clubs

FabShop club programs are designed by shopowners for shopowners. Each program is a one-time investment with FREE-to-reproduce patterns and projects, marketing tools, and promotional ideas.

Wash Tub Club

PROGRAM GUIDE AND MONTHLY PROJECTS

For shopowners and their customers who love 1930s prints. The quilts and projects are designed to be started in class, but finished by the student at home.

Each project is accompanied by a story and is inspired by the serialized patterns and

their stories that were printed in the local newspaper during the 1930s. The Wash Tub Club stories are based on the doings of the fictitious Wash Tub Club that meets monthly in the home of Ethel May.

Birthday Blooms

A QUILTER'S BIRTHDAY GARDEN PROGRAM

Everyone wants flowers for their birthday! Celebrate birthdays monthly with flower-fresh ideas, projects and quilts. This program is a great way to freshen up an existing Birthday Club Program. Quilts and wall-hangings are designed with 12" and 24" blocks. This program will help you sell yards and yards of fabric.

Promote this monthly club without making a shop sample. The mystery quilts are designed to be done in a single class. Each quilt uses approximately three yards of fabric—fabric you already have on your shelves. Each quilt has suggestions for three colorways that tie in with the featured country.
