Here's what the shoppers have to say...

"I love the FabShop Hop every month. I know it takes a lot of time and effort for stores to participate in the Hops each month and \$\$\$. That's why I like to shop at as many of the stores as I can." —Carolyn

"I look forward to the shop hops and browsing the stores without leaving my home. In the town where I live, crafting supplies and fabric are only available at Walmart. This opens a whole new world to me and I must admit - I love it!" —Sandra

"The FabShop Hop helps you to see what the different shops carry. I often go back and purchase from them." —Linda

"I always like checking out the various stores. It's a great way to find new stores." —Janice

"I love the FabShop Hop because it introduces you to what's new and current in quilting. I have shopped and had great experiences with a number of the shops." —Faye

From a fellow shopowner:

Approximately 65% of our website traffic comes from FabShop Hops!

This accounts for 70-75% of our online revenue!

FabShop Hops are extremely significant for our business and I highly recommend that shops participate in every hop.

It's the best program ever!
